

**STATE OF MINNESOTA
CAMPAIGN FINANCE AND PUBLIC DISCLOSURE BOARD**

**PRIMA FACIE
DETERMINATION**

IN THE MATTER OF THE COMPLAINT OF KEVIN VICK REGARDING EVERYTOWN FOR GUN SAFETY
MINNESOTA:

The undersigned Chair of the Minnesota Campaign Finance and Public Disclosure Board has made a prima facie determination that the complaint submitted in the aforementioned matter is sufficient to allege a violation of Chapter 10A or of those sections of Chapter 211B under the Board's jurisdiction.

The complaint, directly or by implication, alleges that the respondent's actions included the following:

- Respondent registered as a political committee or a political fund with the Board on October 22, 2014.
- Beginning on October 21, 2014, and running through November 3, 2014, large campaign contributions exceeding \$1,000 were required by statute to be reported to the Board within 24 hours via the 24 hour notice reporting system.
- On October 24, 2014, another registered political committee reported a \$25,000 contribution from respondent via the Board's 24 hour notice reporting system.
- Respondent received the \$25,000 after it registered on October 22, 2014, a time when the 24-hour notice requirement was in place.
- Respondent failed to file the proper 24 hour notice reports as to the source of the \$25,000 donation.

Minnesota Statutes section 10A.20, subd. 5 states that a contribution of more than \$1,000 received by a political committee between the last day covered in the last report before an election and the election must be reported to the Board within 24 hours after its receipt. The complaint alleges a failure to comply with this requirement. Therefore, the complaint alleges a prima facie violation of Chapter 10A or of those sections of Chapter 211B under the Board's jurisdiction.
