Nature of complaint

Explain in detail why you believe the respondent has violated the campaign finance and public disclosure laws. Attach an extra sheet of paper if necessary. Attach any documents, materials, minutes, resolutions, or other evidence to support your allegations.

1. A mail piece marked as independent expenditure went out to encourage people to vote against Denny Walsh. Even though the piece is marked as independent expenditure it does not state who its furnished by, the name or the address of the organization.
2. A website is set up www.citizenfororono.com. Again no where does it say who furnished this website, not does it say who paid for it. There is a disclaimer stating that the website is an independent expenditure.
3. CFB does not have a citizenfororono group registered.
4. The mailing says that in 2014, Walsh was convicted with disorderly contact for harassing the neighbor. There is no citation and Walsh has never been convicted of Disorderly Contact.
5. Digital advertising promoting the website is also running with no disclaimer
6. Facebook page <https://www.facebook.com/Citizen-for-Orono-874733249328424/?fref=ts>

Minnesota Statutes section 10A.022, subdivision 3, describes the procedures required for investigating complaints. A full description of the complaint process is available on the Board's website.

Briefly, the Board will notify you when it has received your complaint. The Board must send a copy of the complaint to the respondent. Complaints and investigations are confidential. Board members and staff cannot talk about an investigation except as required to carry out the investigation or to take action in the matter. After the Board issues a decision, the record of the investigation is public.

The law requires a complaint to go through two stages before the Board can begin an investigation: a prima facie determination and a probable cause decision. If the complaint does not pass one of the stages, it must be dismissed.

The Board has 10 business days after receiving your complaint to determine whether the complaint is sufficient to allege a prima facie violation of the campaign finance laws. If the Board determines that the complaint does allege a prima facie violation, the Board has 45 days to decide whether probable cause exists to believe a violation that warrants a formal investigation has occurred. Both you and the respondent have the right to be heard on the issue of probable cause before the Board makes this decision. The Board will notify you if the complaint moves to the probable cause stage.

If the Board determines that probable cause does not exist, the Board will dismiss the complaint. If the Board determines that probable cause exists, the Board will start an investigation. The Board will send you monthly updates regarding the status of the investigation. At the end of the investigation, the Board will offer you and the respondent the opportunity to be heard before the Board makes a final decision.

In most cases, the Board will issue findings, conclusions, and an order as its decision. For a spending or contribution limits violation, the Board can enter into a conciliation agreement with the respondent instead of issuing findings, conclusions, and an order. The Board's final decision will be sent to you and posted on the Board's website.

Candidate Dennis Walsh says he's running for Mayor of Orono....
because he's capable of illuminating Local Government.

CAN THAT BE TRUE?

Walsh, did get local police to illuminate their squad cars red lights on in 2001
when Walsh was charged with a DUI - driving under the influence of alcohol.

Dennis Walsh can apparently illuminate funding for our local government too
He has spent thousands of dollars in litigation battling
his own legal disputes at tax payers' expense

Candidate Dennis Walsh says he is running for Mayor of Orono...
because of his business experience and record?

WHAT RECORDS IS WALSH TALKING ABOUT??

- The Public Records of Walsh's multiple run-ins with local law enforcement?
- In 2014 Walsh was convicted with disorderly conduct after harassing a neighbor.
- And in 2001 - Walsh was charged with Felony DUI - driving under the influence of alcohol while resisting arrest, he verbally assaulted & violently attacked our own police officers.

Is that the kind of civic leadership and track record
of bad behavior you want to put Orono's
comprehensive plan in the hands of?
