TAMN is a political party, consisting of 26 member organizations and thousands of individual members. However it is not registered with MN CFB as a political party. TAMN also supports radical and progressive activist groups throughout MN, as well as nationally. TAMN additionally sponsors organizations who are essentially political affiliates, but this fact can only be seen by looking at a great number of social media sites. TAMN also has also assisted numerous local organizations in the Twin Cities as well as Statewide, to essentially operate as satellite org's to TAMN. Almost all of these org's have 501C3 status. TAMN has also created organizations for short periods of time through which tremendous financial resources flow to. One such org. is Housing Equity Now St Paul (HENS), which did not register with the SOS, and did not file a tax return. The website for HENS has disappeared. TAMN has funded a very long list of initiatives for social change, which will be seen in my supporting documents. TAMN is an affiliate org. of People's Action (PA), a national coalition, and TAMN leadership operates at high levels in PA.

Minnesota Statutes section 10A.022 and Minnesota Rules Chapter 4525 describe the procedures required for investigating complaints. A full description of the complaint process is available on the Board's website. Briefly, the Board will notify you when it has received your complaint. The Board must send a copy of the complaint to the respondent. Complaints and investigations are confidential. Board members and staff cannot talk about an investigation except as required to carry out the investigation or to take action in the matter. After the Board issues a decision, the record of the investigation is public.

The law requires a complaint to go through two stages before the Board can begin an investigation: a prima facie determination and a probable cause decision. If the complaint does not pass one of the stages, it must be dismissed. The Board chair or their designee has 10 business days after receiving your complaint to determine whether the complaint alleges a prima facie violation. If the complaint alleges a prima facie violation, the Board has 60 days to decide whether probable cause exists to believe a violation that warrants a formal investigation has occurred. Both you and the respondent have the right to be heard on the issue of probable cause before the Board makes this decision. The Board will notify you if the complaint moves to the probable cause stage.

If the Board determines that probable cause does not exist, the Board will dismiss the complaint. If the Board determines that probable cause exists, the Board may start an investigation. In some cases the Board will issue findings, conclusions, and an order as its decision. In other cases the Board will instead enter into a conciliation agreement with the respondent. The Board's final decision will be posted on the Board's website.

TAMN has developed a methodology of organizing far in advance of the MN DFL Caucus, with their selected candidates highly trained and supported to win the DFL endorsement.

It seems unlikely that the DFL leadership is not aware that TAMN has increasingly been succeeding in getting their not only endorsed but winning in DFL primaries and elections.

TAMN endorsed candidates are essentially “Manchurian Candidates”, and by ‘looking the other way’, the MN DFL leadership, which is based in St Paul, is complicit.

TAMN’s network of radical organizations has been seeking, grooming, training, endorsing, and campaigning for candidates who they recruit, based upon the willingness of the potential candidate to work in partnership with TAMN.

MN voters who have long been loyal to the DFL are being cheated, because the vast majority of them are not aware that the radical agenda of TAMN is being enacted under the DFL party name.

TAMN also has national partners that assist as needed. In the 2020 election, Minnesota was regarded as a swing state, and resources from national coalition partners flowed into MN through TAMN, TAMN coalition member organizations, and TAMN subsidiary organizations.

TAMN and its vast coalition of in-state, inter-state, and national organizations are and undeclared political party, hiding under the umbrella of the DFL and Democrat Party, while unbeknownst to the vast majority of people who consider themselves to be Democrats, and are thus loyal to the party, are being robbed of fair and open caucuses and primaries.

The following are some of TAMN’s grassroots coalition members:

Climate Justice, Freedom to Drive, Justice4Floyd; Earned Sick and Safe Time, \$15 Minimum Wage , and Rent Stabilization in Saint Paul, Justice 4 All, Expanding MN Care, Paid Time to Care, Women's Economic Security Act, The Women's Economic Security Act, Medicare for All, Green New Deal, Homes Guarantee, Indigenous Sovereignty, Restore the Vote, Raise the Wage, Defeat Voter ID Bills in MN, Labor Standards Boards, Fully Funded Public Education, Universal Child Care, Housing Justice, Climate Action, Arms Embargo, Vote Uncommitted, Inflation Reduction Act, Homes Act, Free School Lunches, Abortion Rights, LGBTQ Rights, Arms Embargo on Israel, Carbon-Free-Commitment, Free Speech and Students Rights, Affordable Healthcare, Great Start Affordable Program, Strong Support of Public Schools, Increased Support for Minnesotan Families, Building Tenant Power, Cumulative Impacts Bill, Immigrant Inclusions Act, MN Care Public Option (for inclusion of undocumented children and adults), Universal School Meals, People Over Profits ,Paid Sick Leave, MN Child Tax Credit, MIRAC, MN Freedom Fund, Our Revolution, Black Visions, Indivisible Minnesota, Nexus Community Partners, The People’s Canvass,

Gender Justice, SEIU Minnesota, Move Minnesota Action, 100%, Until We Are All Free, MN350 Action, Sierra Club Minnesota, HOME Line, Voices for Racial Justice, Headwaters Foundation for Justice, Rise and Remember, IndivisibleMN03, Minnesota Youth Collective, The Young Adult Coalition, People's Action, The New Justice Project MN, OutFront Youth, Gender Justice, Faith In Minnesota, Rep Partner, Futures Beyond Criminalization, MN Environmental Justice Table, United Renters For Justice, New Leaders Council Twin Cities, MIM – Minnesota Immigrant Movement, CAPI USA, ISIAH, Protect Minnesota, We Make MN, We Choose Us MN, CAIR-MN, Asian American Organizing Project, Faith in Minnesota Action, Women Winning, Mpls Sanctuary Movement, Indivisible Team, Showing Up for Racial Justice (SURJ), Color of Change, OutFront Minnesota, Blackbird Revolt, Mpls for the Many, Duluth for Justice and Liberation, Tangible Collective, The Red Nation, Camp Nenookaasi, MN Workers United, Climate Justice Committee, Asians 4 Palestine Twin Cities, FRSO Twin Cities, Protect Palestine, an Action Guide, Trans Liberation Now, Community Aid Network MN, Youth For Palestine MN, Minnesotans For Palestine, Minnesota Freedom Fund, We Resolve MN, MPLS 4 Community Control of Police, End Youth Prisons MN, Solutions Not Suspensions MN, The Real Minneapolis, Reinvestigation Workgroup, Trans Liberation Mpls, Sanctuary Supply Depot, Pro-Choice Minnesota, Legalization For All, Twin Cities Coalition For Justice, MN Abortion Action Committee, MN Workers United, Minnesota Immigrant Rights Action Committee, Anti-War Committee, Minnesota Drivers Licenses for All.

The activity of TAMN and its cohorts is treasonous, and yet they remain unchecked in their unlawful activity. Most democrats would be shocked by how their party has been hijacked, to promote anti-American policies and candidates.

The candidates TAMN selects come from within their own organization, within member organizations, and from within their grassroots coalition members.

To be endorsed by TAMN requires an application, followed by selected individuals being interviewed by TAMN's political committee. When TAMN candidates are elected, they are not free to use their own minds and/or to vote by their conscience; rather, they are required to work in concert with the TAMN agenda.

TAMN is especially interested in recruiting and training young women of color and appears to have a special preference for these women of color to be immigrants, or from families of recent immigrants, based upon trends.

The main body of this complaint is a OneNote for Windows 10 section, which has been converted to PDF. I've been learning to use this and other software as I prepare this complaint, which will be obvious. Also obvious is the fact that it is not fully organized, as the urgency of completing this complaint takes precedence.
