## CAMPAIGN FINANCE BOARD

June 7, 2024

Dear Senate Candidate:

The forms and information enclosed in this packet are to assist you in meeting the requirements of Minnesota Statutes, Chapter 10A, which governs campaign finance and disclosure in Minnesota. As a candidate in a special election, you will be required to meet various statutory requirements and deadlines. Please review this letter and the enclosed disclosure calendar for information about deadlines and requirements.

- If you wish to be eligible to receive a subsidy, the enclosed **public subsidy agreement** must be completed and filed with the Board by **June 12, 2024**. You must sign and file an agreement to be eligible to receive a public subsidy payment. Please read the agreement carefully, because once it is signed, the agreement may not be rescinded.
- The **affidavit of contributions** must be completed and filed with the Board **by June 17, 2024**, if you seek to qualify for a public subsidy payment. The Board will be unable to pay a public subsidy to you if you fail to file the affidavit on time. In order to file the affidavit, you must first raise \$3,000 in qualifying individual contributions.
- The **statement of economic interest** must be completed and filed with the Board **within 14 days** after you file an affidavit of candidacy. A statement of economic interest is required by statute from each candidate filing for state office.
- A Registration and Statement of Organization must be completed and filed with the Board within 14 days after raising or spending more than \$750 (other than your own personal funds) to influence your nomination or election in this special election. If you have already registered a committee for Senate District 45 and it has not been terminated, you do not need to register again. If needed you may use the enclosed form to amend any committee information previously filed.
- Please refer to the Senate District 45 Special Election Public Disclosure Calendar for important filing dates.
- **Please Note:** The **pre-special primary report**, due on August 6, 2024, **is only required if there is a special primary**.
- A candidate is required to file electronic reports that disclose their committee's receipts and expenditures. The Board provides a free web-based application, called Campaign Finance Reporter Online, which satisfies this requirement. Instructions regarding how to begin using the application are available at [cfb.mn.gov/pdf/publications/CFR/Getting\\_started\\_in\\_CFRO.pdf](https://cfb.mn.gov/pdf/publications/CFR/Getting_started_in_CFRO.pdf).

**Late filing fees:** Please note, if a report, including a report of a large pre-election contribution, is not filed on time, a late filing fee of \$50 per business day will begin to accrue **WITHOUT NOTICE** on the next day following the day the report was due. The maximum late filing fee per report is \$1,000, plus up to 2% of the expenditures or disbursements not timely reported, per day, if more than \$25,000 in expenditures or disbursements were made during the reporting period. The Board may impose additional late filings fees and civil penalties against filers who have incurred late filing fees or civil penalties within the past four years.

**Contribution Limits:** During the special election cycle the contribution limits are as provided in the following chart. Please note, with the exception of contributions from the candidate, contribution limits apply regardless of whether the candidate signs the public subsidy agreement.

Any contributor that is not a political party unit, a terminating state candidate committee, or the candidate	\$1,000	Total amount of cash and in-kind contributions and loans that may be accepted from a single contributor or lender
Political party units and terminating state candidate committees	\$10,000	Aggregate total of cash and in-kind contributions and loans that may be accepted from all party units and terminating state candidate committees, combined
Political committees and funds, lobbyists, and unregistered associations (special source limit)	\$21,800	Aggregate total of cash and in-kind contributions and loans that may be accepted from all political committees and funds, lobbyists, and associations that are not registered with the Board, combined
Candidate	\$5,000	Total amount of cash and in-kind contributions and loans that may be accepted from the candidate, <i>unless the candidate does not sign a public subsidy agreement, in which case this limit does not apply</i>

If you have questions about this packet, please call me at 651-539-1189 or 800-657-3889.

Sincerely,

Jeff Sigurdson  
Executive Director

## PUBLIC SUBSIDY AGREEMENT

### Special Election – Senate District 45

Special Election Cycle: June 7, 2024, through November 20, 2024

Candidate's Name	
Office Sought <b>State Senate</b>	District <b>45</b>
Telephone with area code	Email address
Committee registration number	

#### Terms of Agreement:

As a candidate for the State Senate, I wish to participate in Minnesota's public subsidy system, which consists of a political contribution refund program and a program of direct payments to candidates. I understand that signing this agreement does not guarantee that I will receive direct payments under that portion of the public subsidy system. As a condition of participating in the public subsidy programs, I hereby agree to the following:

1. I and my principal campaign committee will abide by the statutory campaign expenditure limit for a State Senate candidate through November 20, 2024. I understand that campaign expenditures include the total of my committee's monetary campaign expenditures, in-kind campaign expenditures, and unpaid campaign expenditures during the special election cycle. The base spending limit for my committee during the special election cycle is \$109,100.
2. I will not contribute to my principal campaign committee more than \$5,000 in total during the special election cycle. I understand that my contribution total includes my cash and in-kind contributions and the outstanding balance of any loans I make to my principal campaign committee.
3. My principal campaign committee will return with its special election cycle-end report of receipts and expenditures the amount of public subsidy received (if any) that exceeds my actual campaign expenditures.
4. I and my principal campaign committee will make no independent expenditures.
5. I and my principal campaign committee will comply with Minnesota Statutes section 10A.38, which relates to closed captioning and transcription for deaf and hard-of-hearing persons.

I have read and understand this agreement and I understand that it is a binding legal contract. I know that once I sign and file it, I may not cancel or rescind it even if I do not meet the other requirements to receive direct payments of public subsidy.

## PUBLIC SUBSIDY AGREEMENT

### Special Election – Senate District 45

**Why file this agreement.** This agreement must be completed and filed by candidates for state legislative office as a condition of eligibility for the political contribution refund program and the direct payments program of the Minnesota public subsidy system. You may not issue political contribution refund receipts for contributions received before this agreement is signed and filed with the Board. Contributions made prior to the date you file this agreement are NOT eligible for the political contribution refund program.

**How to file this agreement.** This agreement may be filed by mailing it to: Campaign Finance and Public Disclosure Board, 658 Cedar St, Suite 190, St. Paul, MN 55155. It may also be filed by fax to 651-539-1196 or 800-357-4114 or by email to [cfb.reports@state.mn.us](mailto:cfb.reports@state.mn.us).

**You must confirm the filing of this agreement.** An agreement that is lost in the mail or is the subject of a failed or unreceived fax or email is not a filed agreement. After you file this agreement, you must confirm its receipt and filing by the Board. You may do this by checking the candidate information tab on your committee's page on the Board's website, by searching your name at <https://cfb.mn.gov/reports/#/public-subsidy-agreement>, or by calling 651-539-1188.

**Deadline: This agreement must be signed and filed with the Board no later than June 12, 2024.**

**For assistance:** Questions may be directed to Board staff at 651-539-1188 or 800-657-3889.

#### **Additional requirements to qualify for direct payments of public subsidy**

Signing and filing this public subsidy agreement is just one step in qualifying for direct public subsidy payments. To be eligible to receive direct payments of public subsidy funds you must also:

1. Register a principal campaign committee with the Board and raise at least \$3,000 in monetary contributions from January 1, 2023, through June 17, 2024, from persons eligible to vote in Minnesota. To count a contribution in this total:
  - You must have the name and address of the contributor, no matter how small the contribution;
  - You may count only the first \$50 received from each contributor; and
  - You may not count in-kind contributions.
2. **File, no later than June 17, 2024,** an Affidavit of Contributions verifying that the required amount of qualifying contributions was received. The Affidavit of Contributions may be filed electronically by a candidate using the Board's Campaign Finance Reporter Online application.
3. Be on the November 5, 2024, special election ballot either because you won the special primary or you had no opponent in the special primary. You must also have an opponent at either the primary or special election to qualify for a public subsidy payment.

#### **Spending limit increase for candidates running for office for the first time**

The spending limit is increased by 10% for a candidate who has not previously held the same office, whose name has not previously been on the primary or general election ballot for that office, and who has not in the past 10 years raised or spent more than \$750 to run for any other office whose territory now includes a population that is more than one-third of the population in the territory of the new office. If you meet the above requirements for a spending limit increase, sign the statement of qualification for the first-time candidate campaign expenditure limit increase at the bottom of the public subsidy agreement form.

## Reporting period

The reporting period is the calendar month before the month in which you filed your affidavit of candidacy.

## Sources of compensation

List all businesses from which you or your spouse received more than \$250 in compensation in any calendar month during the reporting period. You should include any employer listed on the first page if it is a business as described below.

“Business” means an association, corporation, partnership, limited liability company, limited liability partnership, or other organized legal entity. An individual acting alone in the individual's own capacity, such as in the form of a sole proprietorship, is not a business for purposes of this statement, nor is a government agency.

“Compensation” means any payment for labor or personal services as a director, officer, owner, member, partner, employer, or employee of a business. Compensation does not include payments that do not result from the performance of services, such as rental income, social security payments, unemployment compensation, workers’ compensation, pension benefits, or insurance benefits.

----- Check each applicable box -----

Name of source	Director	Officer	Owner	Member	Partner	Employer	Employee

## Compensation from lobbyist, lobbyist principal, or interested person, for services as an independent contractor or consultant

Complete this section if you as an individual received more than \$250 in compensation in any calendar month during the reporting period for consulting or independent contractor services provided to a lobbyist, lobbyist principal, or interested person. The \$250 in compensation does not include payment for actual and reasonable expenses received while providing services as a consultant or independent contractor.

If payment was delivered by an individual or association on behalf of a lobbyist, lobbyist principal, or interested person you must list both the individual or association that delivered the payment, and the lobbyist, lobbyist, principal, or interested person that received the services you provided.

A list of lobbyists in Minnesota is available on the Board’s website at [cfb.mn.gov/reports/current-lists/#/all-registered-lobbyists/all/](http://cfb.mn.gov/reports/current-lists/#/all-registered-lobbyists/all/).

A list of lobbyist principals in Minnesota is available on the Board’s website at: [cfb.mn.gov/reports/current-lists/#/lobbying-entities/all/](http://cfb.mn.gov/reports/current-lists/#/lobbying-entities/all/).

An “interested person” means a person or a representative of a person or association that has a direct financial interest in a decision that the individual receiving the compensation is authorized to make as a public or local official or will be authorized to make if the individual becomes a public or local official. To be direct, the financial interest of the person or association paying the compensation to the individual must be of greater consequence to the payer than the general interest of other residents or taxpayers of the individual's governmental unit.

Name of lobbyist, lobbyist principal, or interested person	Name of individual or association that delivered payment on behalf of lobbyist, lobbyist principal, or interested person (if any)

## Business ownership

If you or your spouse own 25% or more of a business **and** received more than \$250 in any month during the reporting period as an employee of that business, list the business or professional activity category from page 6 that best describes the main function of the business. Please provide information for both you and your spouse, but do not disclose specific ownership details of the listed items.

Business or professional activity category (See page 6)

## Independent contracting

If you or your spouse received more than \$2,500 for work as an independent contractor in the past 12 months, list the business or professional activity category from page 6 that best describes the nature of that work. Please provide information for both you and your spouse, but do not disclose specific ownership details of the listed items.

Business or professional activity category (See page 6)

## Securities

List all businesses whose securities are valued at more than \$10,000 that you or your spouse individually or jointly held at any time during the reporting period. Use the definition of business from the Sources of compensation section on the previous page.

“Securities” means stocks, shares, bonds, warrants, options, pledges, notes, mortgages, annuities, debentures, leases, and commercial paper in any corporation, partnership, trust, or other association. “Securities” does not include shares of mutual funds, shares of exchange-traded funds, or defined benefit pension plans. For stocks, list the name of the business. Do not list the exchange symbol, total shares, or value of a security.

For retirement accounts like IRAs or 401(k)s, list the individual investment items held through the account. For example, if you have an IRA managed by Charles Schwab, do not list Charles Schwab – IRA. Instead, obtain an itemized listing of the investments held in the IRA and report those investments that meet the definition of security and exceed \$10,000 in value. Please provide information for both you and your spouse, but do not disclose specific ownership details of the listed items.

Name of business or security	Name of business or security

## Real property

Do not report your homestead. Report interests in all other real property located in Minnesota that you and your spouse have held individually or jointly at any time during the reporting period. You must report for you and your spouse the following interests: a fee simple interest (you are an owner, even if you owe a mortgage), a contract for deed as a buyer or seller, or a mortgage that you hold as a seller. This includes a list of all real property in Minnesota owned by a partnership in which you or your spouse holds an interest.

Report an option to buy if the value of the option is more than \$2,500 or if the fair market value of the optioned property is more than \$50,000 even if the value of the option itself is \$2,500 or less. For each property list the county in which the property is located. Also, list the street address and city, or if the property does not have a street address, the section, township, and range where the property is located and the approximate acreage.

Upon written request and for good cause shown, the Board may waive the requirement that a public official disclose the address of a secondary residence of the official. Contact Board staff if you want to request this waiver. Please provide information for both you and your spouse but do not disclose specific ownership details of the listed items.

## Government agency interests

Complete this schedule if you or your spouse held, or owned 25% or more of a business that held, a contract, professional license, lease, or franchise, issued or entered into by the government agency on which you serve. Describe each contract, professional license, lease, or franchise issued by the agency on which you serve, but do not identify if the contract, professional license, lease, or franchise was issued to you, your spouse, or a business.

## Honoraria

Report the amount and source of each honoraria worth more than \$250 received during the reporting period, including the source's name and address. An honorarium is anything of value received for a service when there is no obligation on the part of the giver to pay. Examples of honoraria could include payment for speeches, presentations, or articles.
