## CAMPAIGN FINANCE AND PUBLIC DISCLOSURE BOARD RELEASES FINAL PUBLIC SUBSIDY PAYMENT AMOUNTS FOR 2024 ELECTION

The Campaign Finance and Public Disclosure Board distributed **\$2,107,940** in public subsidy payments to 230 candidates who ran for the House of Representatives at the 2024 state general election. A list of qualifying candidates and payments is attached.

Of the 282 candidates who filed for the House of Representatives, 261 (93%) signed the voluntary agreement to abide by spending limits and to comply with other conditions of the agreement required under Minnesota Statutes Chapter 10A.

To qualify for a public subsidy payment a candidate must:

- be opposed at either the primary or general election,
- appear on the general election ballot (win the primary election if opposed),
- sign and timely file a public subsidy agreement with the Board to abide by applicable campaign expenditure limits,
- and sign and timely file an affidavit of contributions stating that the candidate accumulated a specified amount in contributions from individuals eligible to vote in Minnesota.

Funds for the public subsidy payment are derived from an appropriation from the state general fund that is based on the check-off included on the state income and property tax forms and an appropriation from the state general fund. The legislature increased the size of the general fund appropriation in 2023, and as a result the total amount paid to House of Representative candidates in 2024 was almost three times the amount paid to candidates for that office in 2022. By party, the total post-primary public subsidy payments were:

	DFL	RPM
House of Representatives	\$1,240,259	\$867,681

DFL = Democratic Farmer Labor Party

RPM = Republican Party of Minnesota

Note: No other major or minor party candidates qualified for a public subsidy payment in 2024.
